

VCA IL 2008 Plates – The Viper Club of Illinois has a long history of creating its own custom Viper Club license plates, we're the only Viper Club Region that does it! The license plates are real and can be used on your vehicle for a limited period (described below). The plates usually commemorate an event each year, this year it's the Viper Owner's Invitational X!! Each plate is designed with the attitude and quality our club is known for. Often people order them just to collect and display, but of course they look best on your cars. It's all up to you! For the small cost, it's well worth truly having something unique. Put them on your Viper, your truck, and the family minivan!

- These special 60 day plate pairs expire on September 3, 2008.
- Keep your current plates in the car during the 60 day period...back on after
- **PROVIDE A COPY OF YOUR ILLINOIS DRIVER'S LICENSE AND CURRENT IL CAR REGISTRATION** else you will not receive the plates.
- Enclose a check for \$65 payable to "VCA – Illinois Region". The State now requires all plates to be registered to a vehicle. (you may choose not to display them)
- Your application and CHECK must be received by June 4, 2008 (June 4 is the club meeting for June)
- Plates will be numbered 1-99.....they will be handed out at the July 2 club meeting, or mailed the next day.
- Requests for the same number will go to the member that had the number last. Be sure to indicate your other choices (2 numeric digits), or check "pick for me" which will make it easier.
- Use one form per vehicle. Feel free to make copies of this form.
- Mail your application TODAY!
