

First Club Meeting of the Year!

April 7th, 2010

It's time to kick the tires and light the fires! Our first club meeting that starts off 2010 is at hand. This meeting will of course be a special one, let's ring in the start of the season in style! Lots of things to talk about and lots of friendships to rekindle! And we will reveal that this meeting will be both a free giveaway and free raffle night!! Don't miss it!

Meetings begin at 7:30pm and are open to all members and their family. Arrive a bit early to get comfortable and grab a bite! Seating is not assigned, so feel free to sit wherever you'd like. All meetings are cruise nights, so fire up the snake and bring it down!!! Viper parking is right outside our own private room. Just pull up and find a spot. Let's create a Viper Spectacle!

Viper Club of Illinois monthly meetings are a great way to get into the pipeline of the club, its people, and of course the car. For more information, or if you'd like to watch a video and get a glimpse of what a typical meeting is like, visit our website at: www.IllinoisVipers.com.
