## Summer Cruise – August 12-14

Our next cruise is at hand and it's going to be a popular one! We're headed to Door County Wisconsin, one of the most beautiful areas in the Midwest. This cruise will also be a multiday cruise spanning three days! This will be a great event, we expect to pay homage to our Wisconsin members as we hit many of the most popular locations in the area and some very special stops...

### Day 1 (Friday, August 12th)

We'll first be meeting at the Lake Forest Oasis on i94 headed West (it's the highway overpass w/restaurant, gas, and restrooms - right after the exit for rt60), but please allow enough travel time to get there. We plan to leave promptly at 8:30am!! Day 1 is a long trip and we've planned a few stops along the way to stretch our legs as well as grab lunch. However we've also arranged a very big stop along the way - Lambeau Field! Yes, it's the home of the Packers and they deserve applause. The club has arranged a stadium tour for the group! We'll also be visiting the Packers Hall of Fame! And for those wishing to don the colors, we'll be sure to hit their elaborate gift shop for apparel and knick-knacks. We'll then move on to our hotel destination in Sturgeon Bay – the Stone Harbor Resort. This is an excellent hotel by the water that everyone will enjoy. We'll check in and relax the rest of the night.

### Day 2 (Saturday – August 13th)

We'll start the day with a breakfast and we'll head out on the peninsula! We'll be driving one of the best scenic routes in the Midwest as we drive the winding roads all the way to the tip at Gills Rock and on to the North Port. After a few sights, we'll head to Sister Bay for lunch at Al Johnson's. This restaurant is famous for goats eating grass on their roof, this is a great place. We're also in town for the art festival in Sister Bay! We're going to give everyone a chance to walk around and browse.

Afterward we'll drive through Peninsula State Park. We hope to park right by the fire watch tower and climb to the top for panoramic pictures of the area and view of the fleet of Vipers down below. We'll also have a stop to visit a light house along with a very special scenic drive. We'll then head to Egg Harbor, a very small village where we'll grab a drink, browse, and shop. To finish the day we'll do a fish boil in Fish Creek at Pelletier's restaurant (for those who don't like fish, you can order from their menu). There's also many shops in this area so we'll finish our day here and then head back to the hotel for a great sunset!

### Day 3 (Sunday – August 14th)

On Sunday we'll start the day in a special way with a breakfast boat cruise that the club has arranged on the waters of Green Bay. We'll be riding on the Harbor Lady – a 100 foot 2-level yacht that will give us a great tour of the bay. It's a comfortable ship with heating, air conditioning, roofed area, and also open deck. We return around 11am and we've left the rest of the day open for those who want to explore on their own or begin heading back! Door County is an area you must see in your lifetime – especially in a Viper!

### Cost & Details

Everyone needs to register and send in the form. The cost of the cruise is only \$15 – this covers Lambeau Field, the Hall of Fame, and a few small items. The hotel, meals, and boat cruise will be paid for directly by each participant. Hotel and boat cruise reservations need to be made by each member directly with the merchants! We've arranged a special \$145 rate at the Stone Harbor Resort (877) 746-0700). They will hold rooms for us until July 25th! Mention the IL Viper Club when calling. For the Sunday breakfast cruise, you must make your reservations on-line at [www.harborlady.com](http://www.harborlady.com). Select the Sunday August 14<sup>th</sup> breakfast cruise and select the senior ticket (they're allowing us to use this as our club discount). It will cost \$29/per person. If you have trouble, you can try contacting them via phone at (920) 707-2539.

As with every cruise I will remind you of our usual disclaimers... we generally cruise with the speed of traffic and each Viper follows the Viper in front of them. This helps make for some care free cruising without having to follow a map (though maps will be provided as well). It's important to stay together, while the route has been selected to take us away from traffic where possible, let's not allow too much traffic to break us up since we're following each other with line-of-sight. Please remember to have your cell phone with you. We also encourage you to bring your walkie-talkie's since we use them to coordinate and chat during our cruise (channel 10-10). Sunglasses are always another good idea. Definitely don't forget your camera and comfortable shoes!

We request that all registrations are received by August 7th. Please get your registration forms in to us as soon as you can. If you've never taken a cruise with the club, you don't know what you're missing. We've taken care of all the details, just come along and have fun. We're looking forward to the day and think you'll find this trip very enjoyable! If you have any questions, don't hesitate to call or e-mail.

Sincerely,

Nancy & Larry Friend
