Every year the IL VCA hosts a huge annual club party for its members. Though our cars are in hibernation, it's a festive time for our group as we reflect on the last season and look ahead to another incredible year! It's always a memorable evening, drawing members from far and wide as the largest gathering of the year (160+ people!). This is no regular gathering, no other club does it like us!!

This is going to be a special year as we're kicking it up a notch! At the top of the list we are going to have not only one of the wildest raffles in our history but also a centerpiece giveaway that we might just sum up as "priceless"! And we've put together a host of other fun stuff for everyone which includes dinner, silent auction, shopping, free goodies, car display, awards, and a really interesting entertainment segment. How could it be any better? How about a free holiday gift from the club (one per each membership) that will blow your mind, this is no small thing! There is no other club that goes this far! This party is well BEYOND price of admission!

We've planned our party on a Saturday since many folks will want to bring their significant other and spend the night. We've kept in mind the great distances folks travel and we've planned a great venue that includes a dinner banquet and also hotel accommodations on premises for your convenience. This party will also have special significance as it will be opening weekend for the Chicago International Auto Show! So the following day, take a trip to visit McCormick Place! Many folks make this a little weekend getaway!
