

Viper Club Jacket Order Form

As one of the proudest clubs in the world, our members love to show-off their affiliation with the Illinois Viper Club. We have a long standing tradition of offering a club jacket only to members (and family) of the Illinois region. We're now doing a large order for all those seeking their own!

The Viper Club of Illinois jacket is made of high-quality, stain resistant microfiber and made in the perfect thickness for Illinois weather (not too thick or too thin). It is offered in our traditional black color with zip front, elastic cuffs/waistband, and with full inner lining. The Illinois Viper Club logo is embroidered in color on the backside of the jacket. The front of the jacket also has a small snakehead color-embroidered on the left-side chest with your name under it!

The cost of the jacket is: \$125.00

The cost includes your name embroidered on the front of the jacket with the snake head logo.

You can choose to have your jacket shipped, or simply pick it up at ANY club event!
